

SUSMOY PAUL

BSc. in Computer Science

OBJECTIVE

Highly creative and multitalented Computer programmer with extensive experience in programming, design, multimedia, developing tech related product.

PERSONAL OVERVIEW

Working gives me a lot of skills and experience that I believe make me best suited for the job position that is being offered with a position of a Assistant Developer. An excellent academic record, ability to understand and test software, working knowledge of Azure, and a strong understanding of core technologies. I seek to work as a System Engineer to further my knowledge and utilize my skills.
